

Businesses of all sizes are looking for new ways to streamline their communication strategy to maximize limited budgets and increase efficiency. Conference calling has become an integral part of that strategy, but conferencing expenses are often difficult to predict month over month.

Cost-Effective Conferencing | Envisiontel's Flat Rate Conferencing allows you unlimited toll access to our audio conferencing service with one low, fixed monthly expense. This flat-rate service offers industry-leading technology at the lowest cost, allowing you to better manage your conferencing budget.

Benefits | Envisiontel gives you the tools to:

- Predict your conferencing expenses month over month with a fixed cost and no hidden fees
- Eliminate the hassle of invoicing by automatically paying with your credit card
- Save over per-minute pricing by leveraging your existing long-distance contracts

Access Levels | Choose the service that is right for you:

Up to 25 participants - \$49
Up to 50 participants - \$99
Up to 100 participants - \$199
**Accounts up to 1000 ports available upon request.*

A Flexible Solution | Envisiontel gives you the tools to instantly access and easily manage your conference calls with up to 25, 50 or 100 participants. You never need to hassle with reservations, changes, cancellations or a conference operator.
